Academic Heraldry

History of Academic Attire

A time-honored tradition of great dignity, the wearing of academic attire is a survival of the ecclesiastical garb of the late Middle Ages. The academic gown, necessary for a scholar's warmth in unheated stone colleges, and the hood to protect his shaven head, were first adopted in the thirteenth century at the University of Cambridge. The custom was begun in this country in colonial times by King's College in New York, now Columbia University.

Gown, Cap and Hood

All candidates for degrees and those who hold degrees, including university officials, faculty and visiting dignitaries, are attired in traditional cap and gown. Recipients of the associate degree at Western Kentucky University wear gray gowns and caps, recipients of the bachelor's degree wear black gowns and caps, and recipients of master's, specialist and doctoral degrees wear black gowns and caps with hoods of various colors.

Bachelors' gowns have pointed sleeves; masters' have long closed sleeves with slits at the elbow for the arms; the doctors' have wide, round, open sleeves. Doctoral gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The mortar board is the headpiece most often worn at American universities for formal occasions. It is appropriately worn with the board flat on the top of the head. Degree candidates wear the tassel falling from the right quarter of the board, while graduates wear the tassel on the left. The tassel may be black or in the color of the scholarly field of the degree held, with the short gold tassel reserved for those holding doctoral degrees.

It is the hood which adds meaning and dimension to the academic costume. Changed little since medieval times, the hood is worn falling from the shoulders down the back of the gown in a display of vivid color. The hood is edged in velvet which by its color denotes the academic discipline in which the wearer's degree was earned, and it is lined in two colors of silk which represent the college or university from which the degree was earned. Hence, the Western Kentucky University hood contains one white chevron on a field of bright red and is edged with the appropriate discipline color. The following is a partial list of colors adopted in 1959 by the American Council on Education:

Agriculture	Maize	Library Science	Lemon
Arts and Humanities	White	Music	Pink
Business	Drab	Nursing	Apricot
Communications	Silver Gray	Physical Education	Sage Green
Economics	Copper	Public Administration	Peacock Blue
Education	Light Blue	Science	Golden Yellow
Health	Salmon Pink	Sociology	Citron

The Mace

Originally used as a weapon during the Middle Ages, a mace was carried to protect a ruler. Eventually this scepter-like instrument became an emblem of authority and became popular for ceremonial purposes. Maces are now carried at the beginning of academic processions at many universities throughout the world, representing each institution's authority to confer degrees.

Western Kentucky University's Mace contains several elements that are symbolic of Western's history. Hand-carved from Kentucky cherry, the top portion of the mace is a representation of the lantern on the dome of Cherry Hall and is a tribute to Western's founder, Dr. Henry Hardin Cherry. The University Seal contains the University's motto, and carved bands around the shaft include significant dates in the evolution of the institution. Gems embedded in the lower portion of the mace represent the colors of the academic disciplines offered by the University. The round ball at the base is symbolic of Western's alumni around the globe.

The Mace, carried by the University's most senior faculty member, was dedicated to the University on May 7, 1998 during the Inaugural Week activities for President Gary A. Ransdell. It was designed by John Warren Oakes of the Department of Art and crafted by Terry Leeper and Frank Pittman of the Department of Industrial Technology.

The Seal

The University Seal features our treasured motto "The Spirit Makes the Master" and Western's ideal defined by Dr. Henry Hardin Cherry as "Life, More Life." First adopted by Dr. Cherry in 1911, the Seal has evolved as the institution grew to university status. Western's President Emeritus, Dr. Kelly Thompson, gave leadership to designing the present version of the Seal, which was approved by President Paul Garrett and first used in 1948. It was altered in 1966 to include the appropriate wording when Western attained university status.

The University Medallion

Medallions, as worn in higher education, represent the evolution of a practice arising in the Middle Ages and the very early beginnings of universities in the Western World. The Medallion identifies the wearer as the designated leader of the university. Representing both the authority and the responsibility of the person who wears it, the medallion is worn by the president of the university at formal academic occasions. The face of the sterling silver medallion is a replica of the seal of the university.

College Banners

Designed for initial use during the May 8, 1998 inauguration of President Gary A. Ransdell with future use at each commencement ceremony, our banners reflect a color symbolic of each academic division of the University. The university seal is prominently displayed on each banner. The banners were designed by Jeff Jensen of Western Kentucky University's Department of Art.

Dark blue	Potter College of Arts, Humanities and Social Sciences
Drab	Gordon Ford College of Business
Light blue	College of Education and Behavioral Sciences
Golden yellow	Ogden College of Science, Technology and Health
White with gold bar	Graduate Studies and Research
Gray	Bowling Green Community College

Honorary Degree

Thomas D. Clark

As state historian, Dr. Thomas D. Clark has had an impressive career as an educator, author and public servant. His contributions to the preservation of Kentucky history have been memorialized in the naming of the Thomas D. Clark Building in Frankfort which houses the Kentucky Department of Libraries and Archives. Dr. Clark was the first recipient of the Henry Clay Award, an honor bestowed by the Henry Clay Memorial Foundation Board as "an exemplary individual who represents the ideal of commitment to public service and public issues that Henry Clay exhibited."

Born in Mississippi, Dr. Clark was educated as an undergraduate at the University of Mississippi, received a master's degree from the University of Kentucky and his doctorate from Duke University. After beginning his teaching career at Memphis State University, Dr. Clark began what would become a 37-year tenure at the University of Kentucky. He became chairman of the Department of History in 1942, a position he held until 1965. At various times he also taught at Harvard University, Duke University, University of North Carolina, University of Chicago, Stanford University and at the Salzburg Seminar in American Studies in Austria.

Following his retirement from the University of Kentucky in 1968, he taught at Indiana University where he wrote a history of that institution. At seventy years of age, Dr. Clark left Indiana University in 1973 as Distinguished Service Professor Emeritus and continued writing. Selected works include *South Carolina, the Grand Tour* (1973), *The Great American Frontier* (1975), *Indiana University: The Realization* (1976), and *A History of Laurel County* (1989).

Dr. Clark is being honored for his lifetime contributions as an historian of national prominence and his exemplary role as a public servant. The citation for the honorary degree of Doctor of Humanities reads:

*Distinguished scholar and professor,
esteemed author and publisher, prominent historian of the South
and notably of the Commonwealth, loyal advocate of higher education*

Recognition of Academic Achievement

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honor status was based upon the academic record in existence at the beginning of the 1998 fall semester and is based upon the official academic record at that time. The final determination of those who actually receive this recognition is made at the conclusion of the term in which all degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition is evidenced by placing the appropriate honor on the diploma and entering an appropriate notation on the official transcript.

With Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.4 - 3.69 and a minimum of 32 semester hours earned in residence at Western (+).

With High Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.7 - 4.0 and a minimum of 32 semester hours earned in residence at Western (++) .

Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.40 - 3.59 and a minimum of 64 semester hours earned in residence at Western (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.60 - 3.79 and a minimum of 64 semester hours earned in residence at Western (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.80 - 4.00 and a minimum of 64 semester hours earned in residence at Western (***) .

Students who have completed the University Honors Program are designated by the (♦) symbol. They have completed at least 24 semester hours of honors credit, written a senior honors thesis, and are graduating with at least a 3.4 grade point average.

In addition to the above honors, the baccalaureate student in each undergraduate college with the highest cumulative higher education grade point average and a minimum of 64 semester hours in residence is designated "Scholar of the College." The Ogden Trustees' Award is presented to the graduating senior with the highest cumulative grade point average with the entire baccalaureate program earned at Western.

Candidates for Degrees

The following list of candidates for graduation was prepared before final grades were reported and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the Academic Calendar.

Spirit Masters of Western Kentucky University

ALMA MATER

College Heights

College Heights, on hilltop fair,
With Beauty all thine own,
Lovely jewel far more rare
Than graces any throne!

College Heights with living soul
And purpose strong and true,
Service ever is thy goal,
Thy spirit ever new.

College Heights, the noble life
Shall e'er our pattern be,
Teaching us through joy and strife
to love humanity.

CHORUS

College Heights, we hail thee;
We shall never fail thee
Falter never—live forever,
Hail! Hail! Hail!
